

Domain Expert

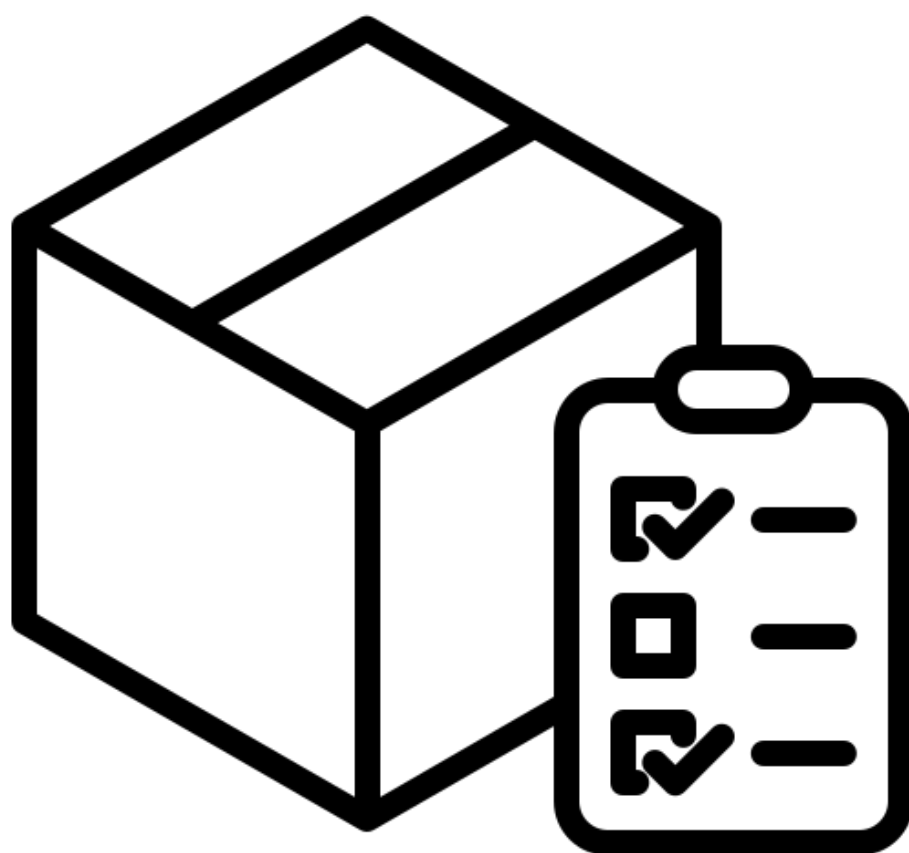

Developers get to chose a domain, and get advantage on rolls in that domain.

Developer

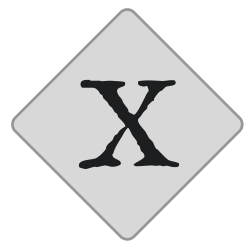

Deliver Value!
Domain Expert

Deliver Value!

The developer produces valuable software!

Visionary

Something something vision

Product Owner

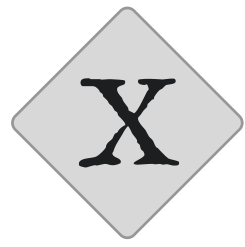

Discovery!
Visionary

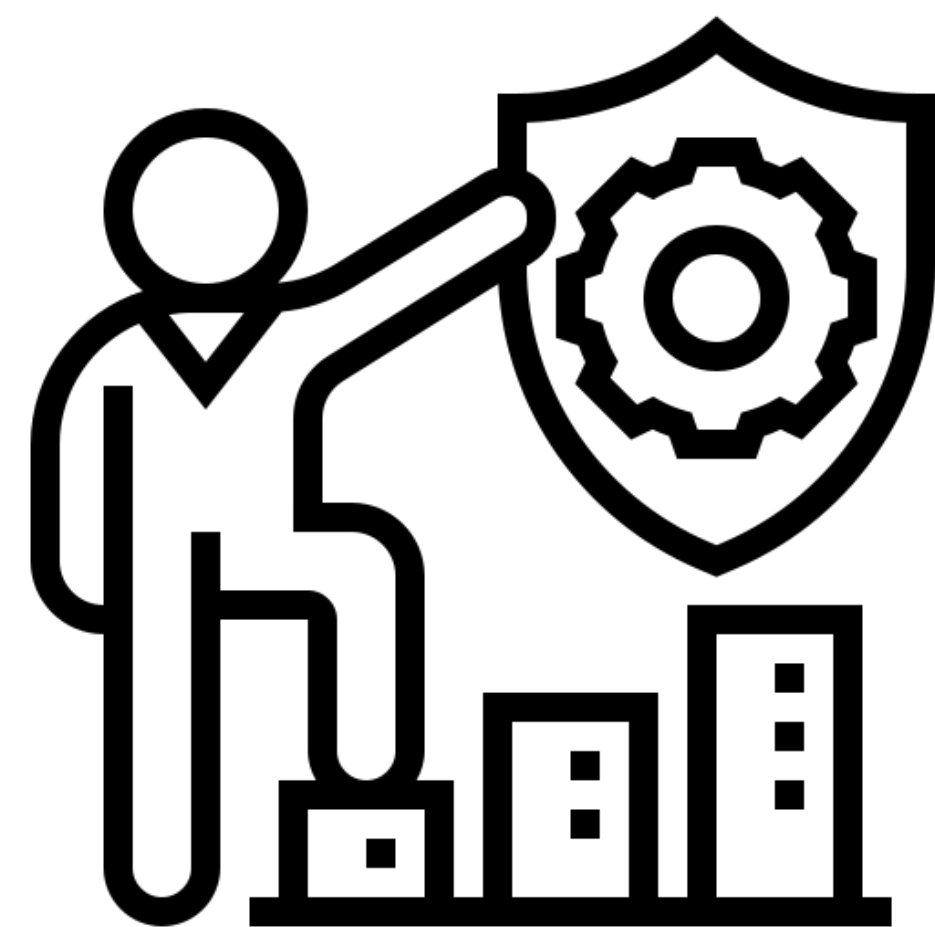

Discovery!

The Product owner discovers new value in the product vision. This can for example stem from talking with customers/users.

Mitigate Disaster!

When a card from the deck of disasters is drawn, the Scrum Master can attempt to mitigate!

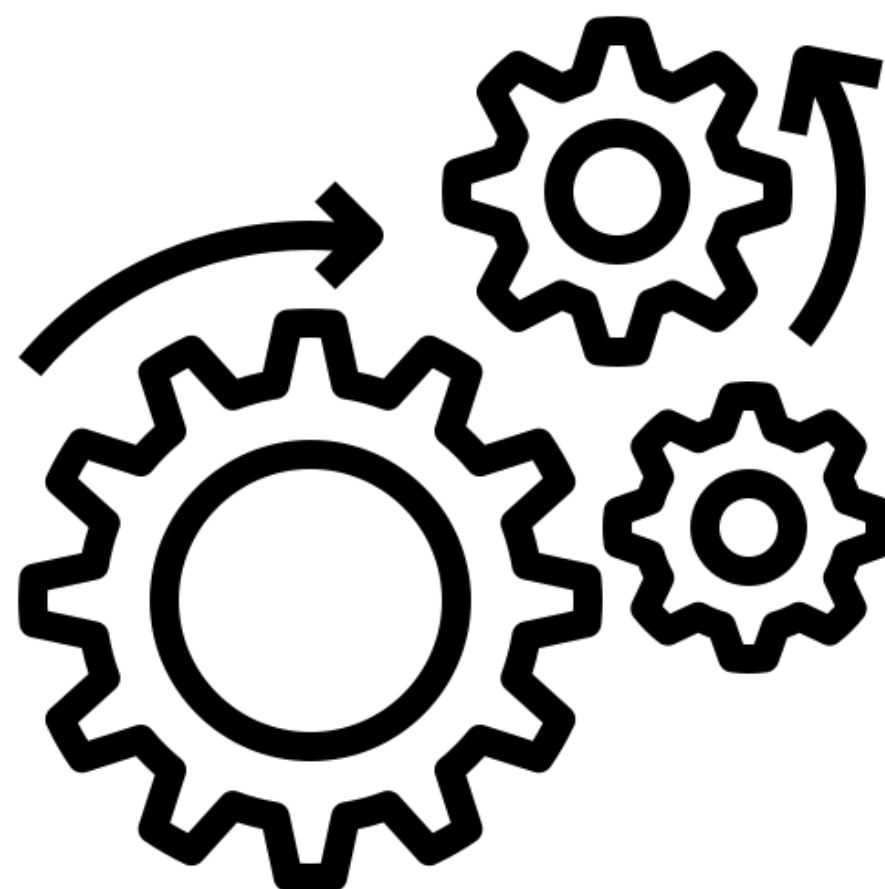

Scrum Master

Improve Process!
Mitigate Disaster!

Improve Process!

The Scrum Master aids a team member in executing a task!
